

The Aledade Difference: Immediate Upfront Value, Zero Hidden Costs

Want to join an accountable care organization (ACO) that delivers on its shared savings promises? Aledade is the only ACO that offers the support you need to maximize opportunities to succeed in the value-based care environment.

Hands-on support for practice transformation

Aledade provides **boots-on-the-ground practice transformation support** beginning prior to the start of the ACO performance year, including:

- ✓ Help optimizing practice workflows and building EHR interfaces
- ✓ Comprehensive workflow, analytics and documentation support for Annual Wellness Visits, Chronic Care Management, and Transitional Care Management visits
- ✓ Assistance preparing for ACO quality measure reporting and Meaningful Use attestation

Complete transparency and active control

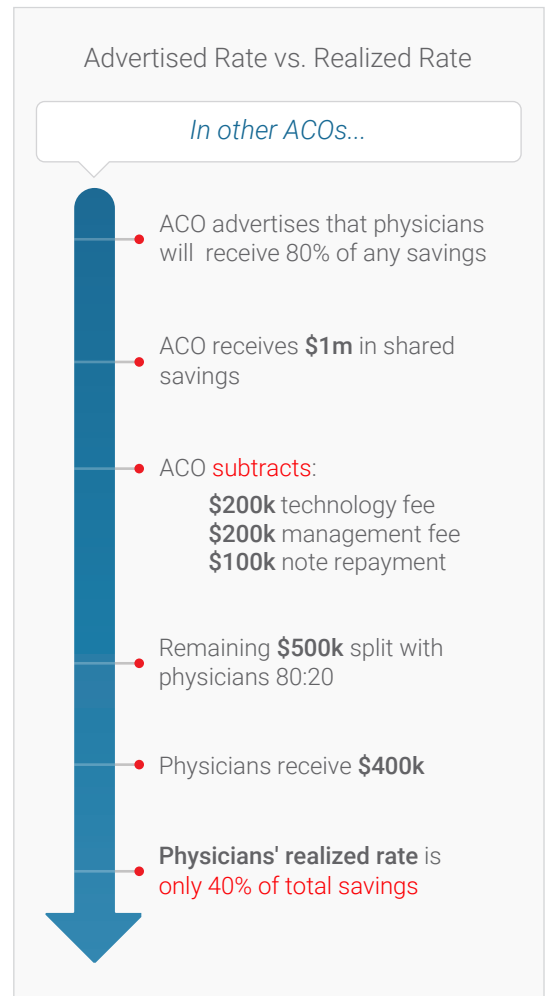

You need to be involved in shared savings decisions from the beginning. With Aledade, you will be **an active participant in your ACO**, with guaranteed access to:

- ✓ A seat on the ACO Board of Directors
- ✓ A vote in how shared savings are distributed
- ✓ ACO-level and practice-level reporting
- ✓ Opportunities to improve performance and earn more money throughout the year

60 percent of any savings generated, regardless of costs

An Aledade ACO will always split shared savings 60:40 up front, with 60 percent going straight back to the providers, regardless of any costs the ACO may have incurred.

Can another ACO promise you as much?
